Profile

PIPEGRIP BLUE GLUE Type N is a specially formulated resin based adhesive for bonding PVC-U pipe, fittings and sheet. It is fast setting and suited for PVC-U Pipes with a diameter of 100mm or less. PIPEGRIP BLUE GLUE Type N is suitable for Non-Pressure applications in residential, commercial and industrial work such as Sewerage, Drainage, Storm Water, and Electrical & Cable Conduit. Bonds are waterproof if the jointing instructions in AS/NZS 2032 are followed. All containers are supplied with a natural bristle brush applicator cap to ensure easy application.

Standards AS/NZS 3879 and AS/NZS 4020
Size 250ml
